2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are

supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express

licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

“WATER ACT, 1914.”

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of all Streams in the Nanaimo Water District.

A MEETING of the Board of Investigation will be held at the Court-house at Nanaimo on Tuesday, the 20th day of March, 1917, at 2 o'clock in the afternoon.

At this meeting all statements of claim to water privileges under Acts passed before the 12th day of March, 1909, on any of these streams, all objections thereto, and the plans prepared for the use of the said Board will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will hear the claimants, will determine the quantity of water which may be used under each record and the further works which are necessary for such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were holders of water records on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file, on or before the 1st day of March, 1917, a statement as required by section 294 of the “Water Act, 1914.” The forms (No. 50 for irrigation and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

The claims of riparian proprietors who have filed, as required by section 6 of the “Water Act, 1914,” statements of claim to waters of any of the said streams will be heard at the same time and place.

Notwithstanding anything in the regulations for the survey, administration, disposal, and management of Dominion lands within the forty-mile Railway Belt in the Province of British Columbia, as established by Order in Council of 17th September, 1889, or amendments thereto, during the present war and thereafter, until otherwise ordered, no application for an entry for a homestead shall be granted, unless the person making the application was at the commencement of the present war, and has since continued to be, a British subject or a subject of a country which is an ally of His Majesty in the present war, or a subject of a neutral country, and unless he establishes the same to the satisfaction of the Minister of the Interior.

RODOLPHE BOUDREAU,

[3277]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Friday, the 5th day of January, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GEN-
ERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated December 23rd, 1916, from the Minister of the Interior, submitting, with reference to an application received from the Kettle Valley Railway Company for a licence of occupation of that portion of the Fraser River, adjacent to the company's right-of-way on either side thereof, which is required for a bridge site, and which is described as follows:—

"That certain parcel or tract of land and land covered by water situate in Section 16, in Township

5, Range 26, west of the 6th meridian, in the Province of British Columbia, and which may be more particularly described as follows:—

"Bounded on the east and west by the ordinary high-water marks on the left and right shores respectively of the Fraser River, and on the north and south by lines parallel to and perpendicularly distant fifty feet on opposite sides of the centre line of the right-of-way of the Kettle Valley Railway, the said parcel containing by admeasurement one acre, more or less, all according to the plan of the right-of-way for a bridge site of the Kettle Valley Railway approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, and dated at Ottawa on the 3rd day of August, 1915, a copy of which is hereto attached."

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of "The Navigable Waters Protection Act," chapter 115, R.S., 1906, amended by chapter 44, 9-10 Edward VII., and that blue-prints of these plans have been filed in the Department of the Interior.

The Minister, therefore, recommends that he be authorized to issue in favour of the said Kettle Valley Railway Company a licence of occupation for that portion of the bed of the Fraser River which is described above, the said licence to be for such time as the company may require the same in connection with the operation of the railway and for which annual rental of \$1 shall be paid to the Department of the Interior.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,

ja25 Clerk of the Privy Council.
